

*“I am delighted to support A Rose to Remember. These beautiful roses are such a fitting way to remember a loved one or could simply be a thoughtful gift. And the best part is that the proceeds go to a wonderful local charity.”*

BAFTA award winning actress, Brenda Blethyn OBE who was born in Ramsgate.

Pilgrims Hospices is a charity providing specialist palliative care free of charge to people in east Kent.

We care for people with illnesses that cannot be cured including cancer, heart failure, respiratory conditions and neurological diseases. Care is provided from the three sites in Canterbury, Ashford and Thanet, in patients' homes and via community programmes. Care is also extended to families and carers.

To keep delivering care to those that need it the most, Pilgrims has to raise nearly £9 million each year. The majority of this comes from our local community so, your support is vital to our fundraising efforts.

# A Rose to Remember

### A Rose to Remember

White roses symbolise love, hope and purity and are often grown in memory of a loved one. Purchasing a Rose to Remember from Pilgrims Hospices gives you the chance to buy a very special gift for you or a friend, whilst making a contribution to

ensure your local hospice can continue to care for over 2,000 patients a year.

### The Pilgrims Hospice Rose (Harkuly)

The Pilgrims Hospice Rose (Harkuly) has been specially selected because it is a repeat flowering, prolific, very fragrant, hardy white rose. Roses can be purchased to plant privately or to be included in one of the six Pilgrims Hospices Rose Gardens.

### A Gift for you or a friend

These beautiful bareroot roses are pre-ordered and despatched for planting from November to January. The roses cost £10 including postage and packing and can be delivered to any UK address.

### Pilgrims Hospices Rose Gardens
