

What makes you unique?

Art competition for primary and secondary schools in
east Kent

At Pilgrims we know that everyone is different, and when we are caring for patients across east Kent, we try to find out what is important to them as individuals so that we give the advice, care and support that is right for them. With this in mind, we would like children across the region to think about what makes them special and **to create a work of art which expresses their individuality - what makes them unique.**

Entries will be exhibited in The Front Room at The Beaney in Canterbury from 21st March – 17th May 2020. The exhibition will be seen by well over 10,000 visitors. The winners and runners-up, together with their teachers and families, will be invited to a prize giving ceremony at The Beaney. Winners will be chosen by a judging panel with an additional 'People's vote' prize, as chosen by the public who visit the exhibition. All prize winners will receive a framed certificate, and their school will win a selection of art materials.

The competition is open to children from Year 3 to Year 13, with prizes for three age groups: Years 3-6; Years 7-11; Years 12-13. All artwork must be original and created by the named child.

Please deliver your entries, with this completed form, to:
