What you'll be a part of:

At Pilgrims, we believe in creating a space of hope, dignity, and support, not only for people with life-limiting illnesses but for their families as well. Our locations in Canterbury, Ashford, and Thanet provide a wide range of services, from inpatient care to hospice at home and community programs—all focused on helping patients live well, no matter their diagnosis.

"I've never worked somewhere that is quite so lovely"

Far from being places of sadness, our hospices are places of life—where people can find joy in moments, no matter how small, surrounded by family, friends, and compassionate care teams. We don't just treat symptoms; we offer emotional, spiritual, and social support to ensure both patients and their families are uplifted. Whether it's through sharing laughter, enjoying a favourite activity, or simply making cherished memories, we aim to bring happiness to every day.

Being part of the Pilgrims team means that your role contributes to something much greater - helping create an environment where families find strength, comfort, and even happiness during difficult times. Whether you're working behind the scenes or on the front lines, every contribution plays a crucial part in enabling us to provide free, compassionate care to over 2,500 people each year.
